Offer expires 12/31/25.

Support for UltraScan DSP will
be ending December 31, 2024

Upgrade to our AI-Optimized Wall Thickness Measurement

If you own a legacy UltraScan DSP, for a limited time receive 15% savings when you upgrade to the latest AI-Optimized TrueWall gauge.

Benefits:

- Faster change-overs
- Precise measurements – even for the smallest of tubing
- Increased productivity with fast & accurate data
- **NEW!** Built-in process monitoring

Terms and Conditions

- Program is based on a limited time offer. Offer expires 12-31-25.
- Customer must purchase a Nordson UltraScan DSP Pro to receive the discount.
- Multiple TrueWall gauges can be purchased with equivalent discount with additional trade-ins.
- BETA LaserMike UltraScan DSP must be returned to Nordson.
- This offer cannot be combined with any other Nordson promotion or discounts, and Nordson reserves the right to modify or cancel this program at any time.
- The purchase will be invoiced at the quoted price for the product including discount.
- This offer is void where prohibited or otherwise restricted by law.
